1.1 Purpose and Use; Defined Terms.

The terms and Conditions of Purchase of Non-Production Goods (Including Equipment) or In-Plant Services (the “Terms”) apply to the purchase of items by Guardian Industries Holdings, LLC or its direct or indirect subsidiaries, which may include but are not limited to SRG Global, LLC or one of its subsidiaries or Guardian Glass, LLC or one of its direct or indirect subsidiaries (collectively referred to in these Terms as “Guardian”) if a Buyer chooses to contract with Seller to purchase goods or services, as applicable. Section 2 describes how the Parties may enter into a binding contract for the Work. The applicable rights, obligations and liabilities of each Buyer under a Contract are solely those of such Buyer and neither Guardian nor any of its Affiliates or any other Buyer will be responsible for any obligations or liabilities of such Buyer. Under no circumstances, will Guardian or any Buyer not party to a particular Contract be jointly and severally liable for the obligations of others. The Goods or Services, as applicable, may be more fully described in the Guardian-approved specification referenced in the RFQ, Commercial Agreement or Purchase Order (the “Specification”). Changes to these Terms are not part of the Contract unless Buyer expressly agrees to them in writing. The terms set forth in the following sections will be applicable to Seller and Seller Group at all times during the Term whether or not there are any Purchase Orders or Commercial Agreements in effect between the Parties: Section 4.3(a) (Indemnity); Section 4.4.1 (Safety); Section 4.3(d) (Seller’s Insurance); and Section 8.11 (Publicity and Use of Names and Marks).

1.2 Purchases by SRG Global, LLC, and its direct and indirect subsidiaries. With respect to purchases by SRG Global, LLC and its direct and indirect subsidiaries only (collectively, “SRG”), these Terms apply to the purchase of items that are not directly used in the production of goods supplied to SRG’s customers and services and work to be performed at one of SRG’s facilities. To the extent Seller is a supplier of production components, materials and applicable services directly used in the production of goods supplied to SRG’s customers, including raw materials, components or finished goods such as clips, badges, or fasteners, these Terms do not apply and are superseded and replaced in their entirety by the SRG Global General Terms and Conditions of Purchase of Production Goods (see https://www.guardian.com/en/supplier_portal_1). These Terms apply to the purchase of all other goods and services purchased by SRG, including capital equipment, office supplies, and services.
information technology services and equipment, tooling, dies and for services that will be provided at SRG’s facilities.

1.3 Certain Defined Terms. “Affiliate” of an entity means any other entity that directly or indirectly, through one or more intermediaries, Controls, is Controlled by, or is under common control with, such entity. “Buyer” is the Guardian entity identified in the Purchase Order or other applicable Commercial Agreement of the Parties. “Commercial Agreement”, if entered into by the Parties, is a written document signed by Buyer and Seller, describing the purchased Goods or Services, and setting forth the commercial terms for purchase of Goods and Services, and may be used in lieu of or with a Purchase Order to evidence Buyer’s purchase of Goods and Services. The Commercial Agreement may be in the form of a SOW. A Commercial Agreement is not binding unless it is signed by both Parties. The “Contract,” if entered into by the Parties, is comprised of (a) these Terms, (b) the applicable Purchase Order and applicable Commercial Agreement, (c) the Specifications, if applicable, (d) the SOW, if applicable and signed by both Parties, (e) the applicable Buyer’s then-current Supplier Quality Manual, (f) any other document specifically agreed to by the Parties in writing which reference these Terms and, (g) with respect to SRG Global only if Tooling is identified in the Contract, SRG Global’s Tooling and Equipment Integrator Supplier Agreement. “Control” (and with correlative meanings, the terms “Controlled by” and “under common control with”) means, with respect to any person or entity, the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of another person or entity, whether through the ownership or voting securities, by contract, or otherwise. “Effective Date” is the date when these Terms are signed by Seller or when Seller otherwise accepts these Terms, (b) the applicable Purchase Order and applicable Commercial Agreement, (c) the Specifications, if applicable, (d) these Terms, (b) the applicable Purchase Order and applicable Commercial Agreement, (e) the SOW, if applicable and signed by both Parties, (f) any other document specifically agreed to by the Parties in writing which reference these Terms and, (g) with respect to SRG Global only if Tooling is identified in the Contract, SRG Global’s Tooling and Equipment Integrator Supplier Agreement. “Control” (and with correlative meanings, the terms “Controlled by” and “under common control with”) means, with respect to any person or entity, the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of another person or entity, whether through the ownership or voting securities, by contract, or otherwise.

2. Forming a Contract.

2.1 With RFQ. If Seller has received an RFQ from Buyer, this Section 2.1 applies.

(a) Submitting Quotations. Seller must submit its quotation in writing, and it must be signed by Seller’s authorized representative.

(b) Meaning of Quotations. Seller's quotation is deemed to be an offer to sell on precisely the basis set forth in these Terms and the Specifications provided as part of the RFQ. If Seller wishes to quote on a different basis or to change any of the terms, Seller must seek amended specifications or conditions from Buyer before Seller submits its quotation. Seller's quotation will be open for acceptance for the time specified in the Specifications (if no time is specified, for three months).

(c) Acceptance and Forming a Contract. Buyer reserves the right to reject any offer in its sole discretion. Seller and Buyer have a binding agreement with respect to the Work when Buyer either: (i) accepts Seller’s offer by delivering Seller a Purchase Order in response to Seller’s quotation and (A) the price on the Purchase Order matches the price in the quotation; or (B) the price on the Purchase Order is different from the price on the quote and Seller confirms Seller’s acceptance of the change by accepting the Purchase Order or beginning work; or (ii) enters into a Commercial Agreement with Seller in response to Seller’s quotation. Seller will be deemed to have accepted the Purchase Order if Seller does not reject it in writing within 5 business days of receipt.

2.2 Purchase Order – Acceptance and Contract Formation. If Seller has not submitted a quotation to Buyer in response to an RFQ, this Section 2.2 applies. Seller and Buyer have a binding agreement with respect to the Work when Seller accepts Buyer’s Purchase Order, which is deemed to include these Terms. Purchase Order acceptance occurs when Seller (a) begins or continues to perform the Work; or (b) accepts the Purchase Order; or (c) enters into a Commercial Agreement with Buyer. Seller will be deemed to have accepted the Purchase Order if Seller does not reject it in writing within 5 business days of receipt.

2.3 Order of Precedence. If there is a conflict between any of the documents that comprise the Contract, the order of precedence is: (a) the applicable Purchase Order and Commercial Agreement, as applicable, (b) the SOW, (c) the Specification, (d) these Terms, (e) the Tooling and Equipment Integrator Supplier Agreement and (f) the applicable Buyer’s then-current Supplier Quality Manual. For the avoidance of doubt, a Purchase Order may only supplement these terms with respect to pricing, schedule, and other specific aspects of the Goods or Services that are otherwise provided for in these Terms. Buyer expressly objects to, and does not accept, any changes or additions to the Contract that Seller makes and no such changes or additions are part of the Contract unless each Party expressly agrees to them in writing.

2.4 Affiliate Adoption. Seller agrees that if any Affiliates of Guardian or Buyer wish to purchase Goods or Services from Seller by issuing Purchase Orders or entering into other Commercial Agreements with Seller (an “Affiliate Contract”), these Terms will be incorporated by reference in any such Affiliate Contract as if these Terms were separately executed by such Affiliate (and solely by such Affiliate), provided, however, that (i) such Affiliate Contract may contain such additional supplementary provisions or amendments to these Terms as Affiliate and Seller may agree upon in writing and (ii) if there is a conflict between the terms of the Affiliate Contract and these Terms, the Affiliate Contract controls. For purposes of such Affiliate Contract, the term “Buyer” in these Terms will be deemed to apply to such Affiliate. The applicable rights, obligations, and liabilities of a Buyer under an Affiliate Contract will be solely those of such Buyer and none of the Affiliates or Guardian will be responsible for any obligations or liabilities of such Buyer under an Affiliate Contract. The applicable rights, obligations, and liabilities of the Affiliate Buyer will be solely those of the Affiliate, and neither Guardian nor any other Buyer will be responsible for any obligation or liabilities of the Affiliate Buyer under such Affiliate Contract. Under no circumstances will Guardian or any of the Affiliates be jointly or severally liable for the obligations of others.

3. Communication. If a representative of Buyer is identified in the Contract or otherwise identified in writing to Seller (“Buyer’s Representative”) that person is Buyer’s first point of contact and, except in an emergency (and then only to the extent made necessary by the emergency), Seller will not act on instructions from anyone else. Buyer may change Buyer’s Representative upon written notice or through notification via Buyer’s electronic procurement system. Seller’s representative as identified in the Contract or otherwise in writing (“Seller’s Representative”) is the person through whom all communication to Seller’s Group regarding the Work will be conducted.

(b) Injuries. All injuries must immediately be reported to the Buyer project manager or designee, as applicable, and the Plant Safety Officer, and an accident report must be completed immediately. Seller will provide Buyer with any information that Guardian or Buyer requests regarding such injuries.

(c) Clean Work Site. Seller will protect the place where the Work is performed from accumulation of trash or debris during the Work. Seller will remove all trash and debris so that the work site is left clean and neat during, and at the end of each working day and at the end of Seller’s performance of the Work.
If Seller does not leave the work site clean and neat, Buyer may have the work site cleaned, and Seller will reimburse Buyer for the reasonable cost of the clean-up. Unless otherwise agreed by Buyer, Seller will arrange for proper disposal of all trash and debris at Seller’s expense.

(d) Preventing Property Damage. Seller is responsible for the protection of the plant and equipment where Seller is working, and all materials, from damage, including damage caused by Seller Group. Buyer may require that a risk assessment be completed before Work begins. The risk assessment will either be completed by Seller with Buyer’s assistance or by Buyer with Seller’s assistance, as determined by Buyer. The results of the risk assessment will be comprehensively reviewed with Seller Group before engaging in Work. If there is a conflict between the Safety Standard and the safety requirement set forth in these Terms, the Safety Standard will control and govern.

Seller Group employees are not permitted in the Buyer’s facility outside the area of the Work. Buyer reserves the right to check the vehicles entering or leaving Buyer’s facilities.

(vii) The following are not permitted in a Buyer at any time: weapons; drugs or alcohol; private radio transmissions; aluminum cans (at Guardian float facilities only); smoking; short pants; bare shoulders; open toe shoes; torn pants or shirts; or other clothing, jewelry, or hairstyles presenting a safety hazard.

Buyer may require that a risk assessment be completed before Work begins. The risk assessment will either be completed by Seller with Buyer’s assistance or by Buyer with Seller’s assistance, as determined by Buyer. The results of the risk assessment will be comprehensively reviewed with Seller Group before engaging in Work. (d) Complying with Specifications. The Specifications and SOW, as applicable, are intended to describe a finished piece of work. If Seller wishes to propose substitutes for any materials specified in the Specifications or SOW, Seller must submit the proposal to Buyer in ample time to prevent delays; no substitutions are permitted without Buyer’s written consent. If Seller believes that any deviation from the Specifications or SOW is necessary to meet legal requirements, Seller will notify Buyer in writing and obtain its instructions before acting (except where immediate action is needed to prevent injuries or environmental contamination).

(e) Know the Workplace; Leave it as Seller Found it. Seller represents to Buyer that Seller is thoroughly familiar with the conditions under which the Work is to be done, and that Seller has informed itself of the nature and extent of the Work and has made all studies necessary to quote the project and to perform the Work on schedule and for the agreed-upon price, including, without limitation, fully determining the costs and availability of workers, equipment, materials, subcontractors and other elements or resources necessary to perform the Work. No claim for either additional compensation or extension of time due to alleged changed, concealed or unknown conditions will be allowed or recognized by Buyer. If Seller needs plans or other documents from Buyer, Seller must request them in time to maintain the Work Schedule. Seller will leave the areas around the Work as it found them.

(m) Grant of Security Interest and Bank Guarantees. With respect to work performed in the United States, Seller grants Buyer a security interest in any of the Work that has not been delivered, to the extent of any payments that Buyer has made, and Seller authorizes Buyer to sign and file a financing statement perfecting that security interest and to send any notation required to perfect a purchase money security interest. In addition, the Contract may require that Seller provide a bank guarantee in a form satisfactory to Guardian in relation to (a) any advance payment for the Work (Advance Payment Guarantee) and/or (b) the Work that has been performed and accepted, which guarantee will be valid for the warranty period (Performance Bond).

(n) Software. To the extent the Work includes the sale, delivery, modification, or creation of any computer software proprietary to the Seller or any third-party subcontractor or supplier of the Seller (the “Software”):

(i) Seller hereby grants to Buyer an irrevocable, nonexclusive, worldwide, fully paid up, royalty-free license to use, execute, maintain, reproduce, modify, display, and perform copies of the Software in connection with the portion of the Work and/or Goods containing the Software. Notwithstanding anything to the contrary in the Contract, the license set forth in this section will remain in effect perpetually for the full useful life of the portion of the Work containing the Software.

(ii) If applicable, Buyer may copy the Software as necessary to efficiently utilize the same. Without limiting the generality of the previous sentence, such rights include the same copying rights as are granted to “owners of copies” under federal copyright laws of the United States (irrespective of whether such copyright laws would otherwise govern), plus copying: (A) for backup, archive or emergency restart purposes; (B) for disaster recovery and disaster recovery testing purposes; (C) to migrate the Software for use on other computers and/or hardware (but not to other units of Goods); and (D) to store the Software at any off-site location that Buyer uses for storage purposes. Buyer may also permit third-party access to, or use of, the Software to allow such third parties to assist in the activities described in this Section 4.2(n), if Guardian makes efforts reasonable under the circumstances to prevent such third parties from using and/or disclosing such Software for purposes other than the fulfillment of their obligations to Buyer.

(iii) Except as expressly permitted by the Contract, Buyer agrees that it will not: (A) lease, loan, resell, sublicense, or otherwise distribute the Software to parties who are not Affiliates of Guardian; (B) reverse engineer, disassemble, or decompile the Software; or (C) remove any identification or notices contained on the Software.

(iv) Seller will pass through to Buyer the applicable licenses for any third-party software provided with the Goods or Services. Seller will provide to Buyer all applicable terms and conditions of such software licenses and will assist and cooperate with Buyer in negotiating any modifications to such licenses that Buyer may require.

(v) Any license for the Software arising out of the Contract are freely assignable, at Buyer’s discretion, to any bona fide purchaser for value of the Work containing the Software. In addition, nothing in these Terms or any other
document comprising the Contract will prevent Buyer from permitting third party contractors’ access to, or use of, the Software to the extent necessary for the operation, repair, maintenance, or modification of the Goods.

(vi) With respect to the Software, the Seller warrants that: (A) if such Software is owned by a third party, the Seller has obtained all rights and licenses necessary to provide Buyer the right to use the Software with the Goods as intended, including the right for Buyer to transfer the Software without fees or consents, as part of a sale of the Goods or of the affected facility; and (B) the Software does not and will not contain any lock, clock, timer, counter, copy protection feature, replication device or defect (“virus” or “worm” as such terms are commonly used in the computer industry). CPU serial number reference, or other device that might: (i) lock, disable or erase the Software; (ii) prevent Buyer from fully using the Software for its intended functions per the Contract; or (iii) require action or intervention by the Seller or any other person or entity to allow Buyer to use the Software. In no event will the Seller insert, activate, or operate, nor attempt to insert, activate, or operate, any such device.

(vii) The term “Software” is deemed to include subsequent changes, corrections, releases, improvements, general enhancements, updates, upgrades, patches, and/or bug fixes made to such Software, which Seller agrees to promptly provide at no additional cost.

4.3 Indemnity; Risk of Loss: Insurance; Injury and Damage. Seller has general authority for execution of the Work within the terms of the Contract and Seller is fully responsible for the Work and the actions of the Seller Group.

(a) Indemnity. Seller will indemnify Guardian, Buyer and their subsidiaries and Affiliates, and each of their respective directors, officers, agents and employees (collectively, the “Indemnitees”) and hold them harmless against any claim, damage, liability, cost, and other loss of any kind (including reasonable fees and expenses of attorneys) (“Losses”) arising from, related to or in connection with: (i) the actions or omissions of Seller Group; (ii) personal injury or damage to property caused by Seller Group in connection with, arising from or related to the Work, including, without limitation, damage to the environment; or (iii) failure of Seller or Seller Group to comply with law, including, without limitation, environmental laws, immigration laws, labor requirements, social security laws, minimum wage laws and false self-employment and/or disguised employee leasing. Seller’s obligations set forth in this Section 4.3(a) will survive the expiration or termination of this Contract. Guardian will have the right to control the defence of any claim made against Guardian.

(b) Risk of Loss. Notwithstanding the Incoterm (2010) selected by the Parties, risk of loss of or damage to the Goods passes to Buyer (i) when the Goods are completely unloaded at Buyer’s facility if Buyer will install the Goods or (ii) upon completion of installation at Buyer’s facility if Seller Group will install the Goods. If Buyer requests that goods be segregated under Section 4.2(k) above, risk of loss will pass when it makes the request.

(c) Insurance for the Goods. Seller will keep the Goods insured against loss or damage with an insurer reasonably acceptable to Buyer until the risk of loss of the Goods has
5. Inspection, Acceptance, Price and Payment.

5.1 Inspection and Delivery.

(a) Inspection. Buyer and its representatives may inspect the Work while it is in progress, including while the Goods are being fabricated at Seller’s facilities, upon request during normal business hours. Such inspection does not preclude Buyer from making claims regarding the Work. Buyer will inspect the Goods for apparent defects within a reasonable time after delivery.

(b) Delivery. Notwithstanding the Incoterm (2010) selected by the Parties, the Goods will be considered to have been delivered when all Goods have been uncrated in Buyer’s facility and have been preliminarily checked by Buyer for damage in transit or unloading and for apparent defects.

5.2 Acceptance. Buyer will accept the Work, or a portion of the Work, when all of Seller’s obligations under the Contract with respect to the applicable Work or a portion of the Work are fully completed in accordance with the terms of the Contract, in Buyer’s reasonable judgment. If the Contract requires completion of one or more acceptance tests before Buyer accepts the Work or the applicable portion of the Work, then in addition to Seller’s other obligations under the Contract, Seller’s obligations will not be complete until such tests are successfully completed in Buyer’s reasonable judgment. Buyer’s acceptance will be given explicitly and in writing by Buyer’s Representative, and no other communication or action will constitute acceptance. Taking possession of or using the Goods or Work or cancelling or postponing any acceptance test does not constitute acceptance of the Goods or Services. Unless the Contract expressly states otherwise, Seller may not invoice Buyer, for all or a portion of the Work (as applicable), until Buyer accepts the Work as specified in this Section 5.2.

5.3 Non-Compliant Work. Seller will, promptly upon Buyer’s request and at Buyer’s sole option, remove, modify, and/or replace at Seller’s expense any Work or part of the Work that does not comply with the Contract.

5.4 Purchase Price; Payment; Withholding Payment and Taxes.

(a) The Purchase Price will be paid in the denomination specified in the Purchase Order and is the full consideration for all of Seller’s obligations, and includes all fees and expenses of engineers, consultants and anyone that Seller engages or is in the Seller Group, as well as all materials, supplies and work, including preparation, execution, and follow-up. The payment terms are as specified in the Contract, but if no payment terms are stated, the payment terms are net 60 from the date of invoice or such shorter period as required by applicable law.

5.5 Liens. Unless prohibited by applicable law, Buyer has the right, before making any payment due under the Contract, to require Seller or any member of Seller Group to execute and deliver a waiver of any supplier’s, materialman’s, mechanic’s, contractor’s, or similar lien rights and to obtain and deliver a full waiver of such lien rights from each subcontractor and/or materialman supplying work or materials for the Work up to the date of payment. Unless prohibited by applicable law, if a lien is filed Seller will, within 15 days, statutorily bond the lien off the record, and indemnify Buyer for all Losses from the lien.

6. Warranty; Limitation of Liability; and Intellectual Property.

6.1 Seller’s Warranty and Repairs. Seller warrants to Buyer that the Work (a) conforms precisely to the Purchase Order, Specification and SOW, including both physical and performance specifications; (b) is free from defects of material or workmanship; (c) conforms to all applicable laws, regulations and other governmental requirements; (d) is fit for the purposes disclosed in writing to Seller in the Contract; and (e) meets all specific warranties included in the Contract (collectively, the “Warranty”). The warranty period begins at acceptance as set forth in Section 5.2 and lasts for three years unless a longer period is provided in the Contract (the “Warranty Period”). Seller understands that downtime is critical to Buyer’s business, and Seller agrees to re-do (and, if needed, repair or replace) all or any affected part of the Work promptly if there is a breach of Warranty. In addition to any other rights that Buyer may have, if Buyer makes a warranty claim in writing and Seller fails to (i) make an initial response to such claim in 24 hours or (ii) make
6.2 Assigning Warranties. Seller will be deemed to have assigned to Buyer the manufacturer’s and supplier’s warranties on any goods that Seller purchases and includes in the Work unless a written assignment is required by law, in which case Seller will provide such assignment to Buyer promptly upon Seller’s acceptance of the Work. These assignments do not limit or reduce Seller’s warranty under Section 6.1.

6.3 Limits on Liability. Buyer will not hold Seller responsible for indirect or consequential damages or lost profits caused by a breach of warranty except to the extent arising from or in connection with Seller’s negligence or intentional misconduct. Seller will not hold Buyer responsible for indirect or consequential damages or lost profits.

6.4 Intellectual and Industrial Property.

(a) Non-Infringement. Seller represents, warrants and agrees that the Services, Goods (including all components of the Services and Goods) and any other materials (including any designs, drawings, and Documentation) provided under the Contract do not and will not violate or infringe any United States or foreign patent, trademark, copyright, trade secret, trade name or other intellectual or proprietary right, except to the extent such Seller IP is required to use, maintain, repair and replace the Goods that are developed by Seller for the Goods and purchased by Buyer; provided, however, that Buyer will be the owner of any improvements, refinements or modifications to the Goods that are developed by Seller for the Goods and paid for by Buyer as part of the Purchase Price.

(b) Intellectual Property Rights. If the basic design of a Good is a Buyer proprietary design then: (i) Buyer is, and will at all times possess, good and marketable title to the Goods; and (ii) Seller hereby assigns to Buyer any right, title or interest it may have or create jointly with Buyer for the Work, are works for hire.

and will be Buyer’s property, and Seller hereby assigns to Buyer, upon creation and without any further action on the part of Seller or Buyer, any applicable copyrights, patents and other intellectual property rights. Seller is prohibited from using Buyer Information (defined below) and its derivatives and Buyer IP (defined below) and its derivatives for any purpose other than completing the Work under the Contract. Seller will execute or cause to be executed all necessary documents and perform such acts as may be necessary, useful or convenient to secure or enforce for Guardian any legal right, title and interest, including patent and trademark protection. To the extent not owned by Buyer, Seller grants to Buyer a non-exclusive, irrevocable, perpetual, worldwide, fully paid-up, royalty-free license to Buyer to use and reproduce, the drawings, schematics, operations manuals, maintenance manuals, spare parts lists and the like for use in its and Guardian’s business. For the avoidance of doubt, Seller agrees that all Creative Works that are Buyer IP that constitute “works of authorship” (as defined in 17 USC §102 U.S. Copyright Act) are expressly agreed to be “works made for hire” under and as defined in 17 USC §101, and that Buyer is the author and owner of such Creative Works under 17 USC §201(b). Seller agrees to waive, and does hereby irrevocably waive, in favor of Buyer all moral rights that Seller would own in all Creative Works. “Creative Works” means all computer programs and documentation, designs, drawings, artistic and graphical works, reports, data, information, other works of authorship and inventions first made by Seller, or its suppliers or subcontractors, during performance of Work for Buyer that is Buyer IP. “Buyer IP” means all intellectual property, information or materials owned by Buyer or provided to Seller by Buyer or derivative of any of such intellectual property, information or materials.

(d) Notice. Seller will apply a proprietary rights notice in the following form, or such other notices as Buyer may reasonably direct from time to time, to Buyer IP and copies of Buyer IP: “Copyright © [Insert Year] [legal name of applicable Buyer]. All rights reserved.” Notwithstanding anything to the contrary, including Section 2.3, if the proprietary rights notice appearing on any documents or drawings supplied by Seller is inconsistent with these Terms or any terms contained in another document that is part of the Contract, these Terms will supersede the notice on such drawings and will control.

(e) Indemnity. Seller will defend, indemnify and hold harmless Buyer and its Indemnitees against any Losses arising out of any claim that the Work, Buyer’s use of the Work or Buyer’s sale of products manufactured using the Work infringes any patent, copyright, trademark or other intellectual or industrial property right. This indemnity will survive the acceptance of and payment for the Work, the expiration of the Warranty covering the Work, and any expiration or termination of the Contract. If use of the Work or any part of the Work is enjoined, then Seller will sell at its own expense and at its option, but in addition to any other remedy to which Buyer may be entitled, do the following: (i) obtain for Buyer the right to use the Work and to sell products manufactured using the Work; (ii) modify the Work so that it becomes non-infringing and meets the Specification; or (iii) procure and deliver to Buyer alternate Work that meets the requirements of the Contract so that Buyer has the right to use and to sell products made with alternate
7. Term, Default, and Remedies.

7.1 Term. These Terms are effective on the Effective Date and, unless earlier terminated as specifically set forth in these Terms, will continue in effect until terminated by a Party upon at least 30 days’ prior written notice to the other Party (the “Term”). The foregoing notwithstanding, any termination of these Terms or a Contract by Seller will have no effect on any then-on-going Work unless otherwise instructed by Buyer in writing. Buyer may terminate a Contract, or any Work covered by a Contract, as set forth in Section 7.4.

7.2 Default. TIMELINESS IN GOODS PROCUREMENT AND SERVICE DELIVERY IS ESSENTIAL TO BUYER’S UNDER THE CONTRACT. Seller will be in default under the Contract if Seller: (a) fails to make progress on the Work or to deliver the Work as required by the schedule in the Contract; or (b) files for bankruptcy or insolvency, admits in writing Seller’s inability to pay its debts as they fall due, makes an assignment for or to the benefit of creditors, or consents to the appointment of a receiver; or (c) has an involuntary bankruptcy petition filed against Seller or a receiver appointed for Seller or Seller’s property, and such filing or petition is not vacated within 60 days; or (d) stops or announces Seller’s intention to stop conducting business as a going concern or doing work of the same kind as the Work, or Seller abandons the Work; or (e) breaches a provision of the Contract and the breach is not cured within 30 days after Seller receives written notice of the breach, if such breach is capable of being cured. The foregoing notwithstanding, there is no cure period for defaults under the Contract if Seller: (a) fails to make progress on the Work or to deliver the Work as required by the Work Schedule; (b) files for bankruptcy or insolvency, admits in writing Seller’s inability to pay its debts as they fall due, makes an assignment for or to the benefit of creditors, or consents to the appointment of a receiver; or (c) has an involuntary bankruptcy petition filed against Seller or a receiver appointed for Seller or Seller’s property, and such filing or petition is not vacated within 60 days; or (d) stops or announces Seller’s intention to stop conducting business as a going concern or doing work of the same kind as the Work, or Seller abandons the Work; or (e) breaches a provision of the Contract and the breach is not cured within 30 days after Seller receives written notice of the breach, if such breach is capable of being cured. The foregoing notwithstanding, there is no cure period for breaches involving safety or the environment.

7.3 Consequences of Default. If Seller is in default as provided above, Buyer may, in its sole discretion and in addition to any other remedies to which it may be entitled, do one or both of the following: (a) terminate the Contract or the applicable Work, or any or all of them, and take possession of the Work and materials that may have been purchased for the Work, and pay to Seller the amount (if any) equal to the lesser of (i) the fair value of the Work performed and (ii) the Purchase Price, less all costs incurred on account of the default (including without limitation costs for internal personnel and reasonable overhead) of completing the Work per the Work Schedule – in either case less all sums paid under the Contract, and to recover any sums paid in excess of that amount; and (b) recover damages for breach of contract and default. Seller will also promptly deliver the Documentation to Buyer.

7.4 Termination by Guardian for Convenience. Buyer may terminate a Contract or any Work under a Contract for any reason by delivering written notice to Seller at least 5 days before the effective date of termination. After receiving notice, Seller will terminate the applicable Work as follows: (i) terminate all orders and subcontracts chargeable to the Work that may be terminated without cost, (ii) terminate and settle, subject to Buyer’s approval, other orders and subcontracts that

Guardian & SRG - Global Equipment and In Plant Services Terms
Rev. 01.01.2020
were entered into solely in connection with the Work where the cost of settlement will be less than costs incurred if the work is completed, (iii) transfer to Buyer, per Buyer’s instructions only, all materials, supplies, work in process, facilities, equipment, machinery or tools Seller has acquired in connection with the Work and for which Seller has been paid, and (iv) transfer to Buyer all Documentation and information related to the Work in the format requested by Buyer. Upon termination and Seller’s compliance with the above requirements, to the extent that Buyer has not already paid for such items, Buyer will reimburse Seller for: (a) the portion of the Work Seller has completed, plus (ii) the cost of the material already delivered to Buyer’s site, plus (iii) the cost of bona fide, irrevocable orders that Seller has placed specifically for the Work before termination, which costs will be paid after the materials are delivered to Buyer’s site or such other site specified by Buyer. Buyer must submit its reimbursement request to Buyer in writing, with a reasonably detailed explanation of amounts requested to be reimbursed, and Buyer’s approval of such request, which will not be unreasonably withheld, conditioned, or delayed, is required before Buyer is obligated to reimburse Seller for such costs.

7.5 Termination by Seller. Seller may terminate a Contract if Buyer fails to pay Seller amounts that are due and owing to Seller under such Contract within 30 days after delivery of written notice to Buyer regarding such non-payment, except for amounts that are subject to a good faith dispute. Such termination will have no effect on other Contracts that Buyer may have with Seller or which other Buyers may have with Seller or other Sellers.

8. Other Matters.

8.1 Confidentiality. For purposes of these Terms, (a) “Buyer Information” means all information that Seller or anyone in Seller Group, receives from Buyer or observes or obtains at a Buyer facility, including, but not limited to, information relating to: the Work, facilities, products, equipment, capabilities, intellectual property, financial information, needs, developments and plans of Buyer, its affiliates and their customers; (b) Seller will not, and will cause members of the Seller Group not to, disclose to any third party or to use for any purpose other than performing Work for Buyer and its affiliates, any Buyer Information, without Buyer’s written permission (except as may be required by law); (c) Seller will hold all Buyer Information in trust for Buyer’s sole use and benefit; and (d) clauses (b) and (c) will not apply to information that is publicly known other than through disclosure by or through any member of the Seller Group. If there is a current confidentiality agreement between the Parties, the provisions of this Section 8.1 will be read in harmony with such agreement.

8.2 Force Majeure. Any delay or failure by a Party to fulfil its obligations under a Contract will not be deemed a breach to the extent that the failure or delay is caused by Force Majeure. “Force Majeure” means acts of God, natural unavailability of electric power or other utilities, fire, flood, earthquake, tornado, explosions, riot, war, strikes or lockouts at third parties or government actions issued in an emergency, including those that prevent Buyer from exercising control over its facility, and any similar circumstance beyond the reasonable control of such Party.
control of a Party and without such Party’s fault or negligence. In no event, however, will Seller’s inability to perform as a result of any of the following constitute Force Majeure: (i) Seller’s insolvency or financial condition; (ii) change in cost or availability of raw materials or components based on market conditions; (iii) change in cost or availability of a method of transportation; (iv) changes in, or implementation of new, government regulations, taxes or incentives; (v) failure to obtain permits, licenses or other government approvals; (vi) failure to use available substitute services, alternate sources, work-around plans or other means by which the requirements of a buyer of products or services substantively similar to the Goods and/or Services would be satisfied; or (vii) labor disruptions, strikes, lockouts and slowdowns affecting a Seller’s facility. As soon as possible following the occurrence of an event causing the Force Majeure the Party claiming the Force Majeure must provide notice to the other Party of the reasons for the Force Majeure, the anticipated duration of the delay and the time in which the delay will be cured. During a delay or the failure to perform by Seller, Buyer may, at its option (A) purchase Goods and Services from other sources and reduce its schedules or commitment to Seller by such quantities, without liability; (B) cause Seller to provide the Goods or Services from other sources in quantities and at times required by Buyer at the price set forth in the Purchase Order or Commercial Agreement; or (C) request Seller to deliver to Buyer at Buyer’s expense all finished goods, work-in-process and parts and materials produced or acquired for work under the Purchase Order. Buyer is not obliged to pay costs that Seller may incur because of a Force Majeure occurrence. If the Party claiming Force Majeure cannot provide assurances that the delay will last less than thirty calendar days, or if the non-performance exceeds 30 calendar days, the other Party may terminate the Contract. If Buyer exercises this termination right, then Seller will promptly deliver to Buyer all Documentation materials, components and partially completed Work, and Buyer will, within 30 days of Seller’s completion of delivery, pay Seller per Section 7.4 of these Terms as if Buyer had terminated the Contract for convenience.

8.3 No Assignment. Seller may not assign these Terms nor a Contract or any of its rights or obligations under these Terms or a Contract, whether by operation of law or otherwise, without the express prior written consent of Buyer. These Terms and the Contract will be fully applicable to each Party’s legal successors and permitted assigns.

8.4 Entire Agreement; Amendment. A Contract, if entered into by the Parties, is the entire agreement between the Parties regarding its subject matter; it replaces any previously signed agreements and understandings, oral or written, between Guardian and Seller with respect to the Work. The foregoing notwithstanding, any current, unexpired confidentiality agreements, invention agreements, electronic data interchange agreements or other similar general agreements between the Parties remain in effect. The Contract can be amended only by an agreement in writing signed by authorized representatives of both Parties. No Buyer employee has the authority to modify the Contract without the written approval of a authorized official of Buyer.
8.5 Remedies and Rights. Buyer’s remedies provided for in the Contract are in all cases cumulative and not exclusive. If there is a breach, Buyer will be entitled to all rights and remedies provided in the Contract and under applicable law. No waiver of any breach of a Contract by either Party will be deemed a waiver of any preceding or succeeding breach or of any other provision of the Contract. No extension of time for performance of any obligation or act by either Party will be deemed an extension of time for the performance of any other obligation or act.

8.6 Counterparts & Electronic Signatures. Any Contract between Buyer and Seller may be executed in separate counterparts, and all such counterparts will constitute one and the same instrument. Electronic and facsimile copies of an original executed signature pages (including, without limitation, copies of electronically transmitted in “.pdf”), whether of these Terms or a Contract, will be deemed the same as the original executed signature page. Electronically executed versions of a signature page through the DocuSign, Inc. electronic signing system or any similar service implemented by Buyer will also confirm all executed versions of any signature page by manually executing a duplicate original signature page. At the request of either Party at any time, the Parties will promptly confirm all electronic or facsimile copies, and all electronically executed versions of any signature page by manually executing and delivering a duplicate original signature page.

8.7 Contract Interpretation. The Parties desire and intend that all the provisions of these Terms and the other documents comprising the Contract be enforceable to the fullest extent permitted by law. If any provisions of these Terms or the other documents comprising the Contract or the application of any of the provisions in any of those agreements to any person or circumstances is, to any extent, construed to be illegal, invalid or unenforceable, in whole or in part, then the provision will be construed in a manner to permit its enforceability under the applicable law to the fullest extent permitted by law. In any case, the remaining portion of these Terms and the other documents comprising the Contract or the application of any remaining terms to any person or circumstance, other than those which have been held illegal, invalid, or unenforceable, will remain in full force and effect. The headings in these Terms are purely for convenience and are not to be used as an aid in interpretation. These Terms and any Contract are not to be construed against either Party as the author or drafter.

8.8 Applicable Law and Jurisdiction.

(a) The United Nations Convention on Contracts for the International Sale of Goods will not apply to these Terms or any Goods or Services sold under a Contract.

(b) With respect to a Seller that is (i) organized or incorporated in the United States (each a “U.S. Supplier”) or (ii) that is not a U.S. Supplier but with respect to which there is a claim that pertains solely to one or more of Buyer’s facilities that are located in the United States, the Agreement will be governed by, and construed and enforced under the laws of the State of Michigan without reference to any choice of law rules or principles which would otherwise dictate application of another state or country’s laws and the Parties select as the exclusive forum for any litigation related to the applicable contract.

Contract, and irrevocably consent to the exclusive jurisdiction and venue of, the courts of Oakland County, Michigan or the United States District Court for the Eastern District of Michigan.

(c) For any Supplier that is not a U.S. Supplier or that does not meet the criteria in Section 8.8(b)(ii), except as provided in Attachment B to these Terms, the Contract and these Terms will be governed by, and construed and enforced under the laws of the country where Supplier is registered and the Parties select as the exclusive forum for any litigation related to these Terms or a Contract, and irrevocably consent to the exclusive jurisdiction and venue of, the courts of the location where Supplier is registered.

8.9 Waiver of Jury Trial. To the extent permitted by applicable law, each Party waives, to the fullest extent permitted by applicable law, any rights that it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with the Contract. Each Party (a) certifies that no representative, agent, or attorney of the other Party has represented, expressly or otherwise, such Party would not, during litigation, seek to enforce the foregoing waiver, and (b) acknowledges the other Party has been induced to enter into the Contract by, among other things, the waiver and certification set forth in this Section 8.9.

8.10 Audit Rights. Seller will maintain records as necessary to support amounts charged to Buyer under the Contract for the greater of the time period set forth in Seller’s documentation retention policies or seven years. Buyer and its representatives may audit Seller’s records of transactions to the extent necessary to verify the quantities shipped and that the prices charged match the Purchase Price. Any audit will be conducted at Buyer’s expense (but will be reimbursed by Seller if the audit uncovers errors in the amounts charged), at reasonable times, and at Seller’s usual place of business.

8.11 Publicity and Use of Name and Marks. Unless Seller obtains Buyer’s written consent, it will not, (a) except as may be required by law or regulations, in any manner advertise or publish or release for publication any statement or information mentioning Guardian or Buyer, the fact that it has furnished or contracted to furnish to Buyer the items required by the Contract or quote the opinion of any employee of Guardian or Buyer or (b) except as contemplated by the Contract to provide Goods or Services, use Guardian’s name, logo, trademark or service mark.

8.12 Status as an Independent Contractor. In all matters relating to a Contract, Seller will be acting as an independent contractor using its own resources and equipment. Neither Seller nor any of the persons furnishing materials or performing Services under a Contract are employees of Buyer for any purpose. All communication to employees and subcontractors used by Seller Group will go through Seller’s Representative and no member of Seller Group will be integrated into Buyer’s work organization.
8.13 Notice. All notices, requests, demands, waivers, and other communications under a Contract must be in writing.
